ABOUT VISIONARY DESIGN GROUP

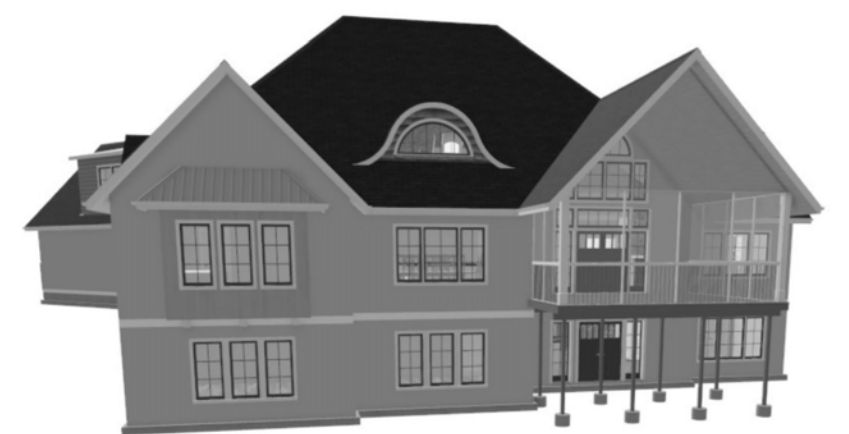

- Located in Simpsonville, SC, Visionary Design Group is a custom cabinetry shop and interior design studio
- The owner, Steve Pilgrim, opened the business nearly 30 years ago, offering custom handmade cabinetry out of a truck
- Today, Visionary also offers semi-custom cabinetry, custom closet designs, full house plans, and final finish design packages
- The company does a lot of kitchens and bathrooms but also does a wide range of different built-in projects such as mud rooms, entertainment centers, and bookshelves

RESPONSIBILITIES AS AN ASSISTANT DESIGNER

- Holding design meetings
- Going to client homes to take measurements and discuss the needs of the space
- Keeping up with client and vendor communication through phone and email
- Using set catalogs to put together semi-custom designs
- Using knowledge of size allowances for construction for custom cabinetry
- Drawing up full house floorplans and creating professional construction documents
- Creating 3-D renderings

SKILLS GAINED

- Proficient in new design software:
 - Chief Architect
 - Cabinet Vision
 - 2020 Design
 - Closet Pro
 - Folio
- Design meeting skills
- A solid knowledge base surrounding the design and construction of cabinetry
- This internship opportunity has opened up a full-time job offer for me upon graduation and I will continue to work part-time at Visionary throughout my senior year.
