Concept Statement

The Chabad Jewish Center in Greenville, SC is a welcoming and inviting space. The Chabad features a modern design with neutral colors, clean lines, and lots of natural light. The entrance is an open space that promotes gathering before and after worship. The simple design of the lobby highlights the Jerusalem stone donor wall. The worship space can be used as a multipurpose room and can be split into two rooms with a partition wall. The Chabad has a large kosher kitchen with a designated meat side and dairy side through the use of color scheme.
