**Carrier made sure to note that he was truly a wonderful painter but was still unsure what to say about the painter.**

**Polenghi's pieces are full of life and hold chaotic movement but still bring peace and feelings of tranquility to the viewer.**

**Abstract painting can have  
spiritual or religious significance  
has often been made.**

**But without also a receptive self,  
it's impossible to understand  
why visual art truly matters.**
