*Skills data was based on Table 2. of Hebert, A. & Hauf, P. (2015). Student learning through service-learning: Effects on academic development, civic responsibility, interpersonal skills, and practical skills. *Active Learning High Education*, 16(1), 27-49.

Now, pick one skill from each section, explain why you chose this aptitude, briefly describe how you were successful, and explain how you can continue improving these skills in behavioral terms.

If you left a skill blank, explain why you do not believe you have completed this task and what needs to occur to learn the skill. (It is common for students to have limited advocacy opportunities in ART 453.)

- I. **Academic Development-**
specific skill- (i.e., understanding of course content)

II. Civic Responsibility-
specific skill-

III. Practical skills-
specific skill-

IV. **Art Mentor skills-**
specific skill-

V. **Interpersonal skills-**
specific skill-

VI. From the checklist above, list 2 skills you believe need additional attention.

What is your specific behavior plan to improve these skills?

a.

b.
