BFA STUDIO ART

The background of the entire image is a painting. It features a large, dark green dinosaur's mouth, possibly a Tyrannosaurus Rex, with sharp, white teeth. Inside the mouth, a small, dark silhouette of a person is visible, appearing to be falling or being consumed. The background is composed of broad, diagonal stripes in various shades of green and yellow-green, creating a sense of depth and movement. The overall style is expressive and somewhat abstract.
