You have been working for an Interior Design/Architectural firm as an Assistant Designer for a little more than a year and have been showing great promise in moving toward being one of the firm's Associate Designers. As a reward for doing such superior work, your boss has decided to hand you an interior construction project and test your knowledge and abilities regarding construction documents.

Assignment 11 – Final Project Submission

Objective: To help students understand the detailed intricacies of creating and the construction development of residential and Commercial interior spaces. This process is the most critical aspect of any interior construction project in a real-world scenario.

The requirements for this are as follows: Students will submit a complete set of Interior Construction Documents. Below is a final list of Documents that must be included as part of a Completed Document Set.

1. _____/10. Cover Page
2. _____/10. Demolition Plan
3. _____/10. Detailed Key Plan
