

You have been working for an Interior Design/Architectural firm as an Assistant Designer for a little more than a year and have been showing great promise in moving toward being one of the firm's Associate Designers. As a reward for doing such superior work, your boss has decided to hand you an interior construction project and test your knowledge and abilities regarding construction documents.

### **Assignment 7 – Create a Furniture & Equipment Plan**

Objective: To help further students' ability to understand the intricate set of Construction Documents through the act of creating a detailed Floor Plan.

#### **Be sure to include the following:**

1. \_\_\_\_/10 Furniture and Equipment layout.
2. \_\_\_\_/10 Label all rooms and spaces.
3. \_\_\_\_/10 Correctly note the staircase with up and down arrows.
4. \_\_\_\_/10 Indicate compliance with ADA standards where applicable (i.e., show turnaround in bathrooms)
5. \_\_\_\_/10 Poche walls according to wall legend and reference to a wall-type legend noted on the Cover Page.
6. \_\_\_\_/10 Complete a Furniture, \*Accessory \*Appliance, and \* Equipment Schedule Schedule and number for each type. Do not forget to call out each piece of furniture or tag it to create a schedule more easily.
7. \_\_\_\_/10 Note all flooring and any floor changes or ramps where applicable.
8. \_\_\_\_/10 Label all significant components such as; fireplaces, all built-in furniture, appliance, and plumbing fixtures, and call out any floor drains where applicable.
9. \_\_\_\_/10 Note any miscellaneous items such as; specialty items associated with Universal Design, kitchen and bath accessories items, specialty closets, and closet accessories.
10. \_\_\_\_/10 Make sure that all drawings are clear and legible when reproduced or printed.
  - a. Title Block shall be complete with
    - i. Sheet Number
    - ii. Project Title
    - iii. Drawing Type (i.e., Demolition Plan)
    - iv. Scale information (i.e. 1/4" = 1'-0")
    - v. Date of Completion (will be noted once the final set comes due)

- vi. Initials of the person who is completing the project. (i.e., your initials)
  - vii. Initials of the person checking the drawings for any mistakes (i.e., Instructors initials)
  - viii. Name, logo, and contact information of your firm creating these drawing sets.
2. Please do not forge the North Arrow.

Please note that depending on time and need, we may come around and add more detail to the Furniture Plan.
